

Virginia Oncology Associates 19th Annual Conference

New Developments in Oncology

Addressing Novel Therapies In Oncology & Hematology

SAVE THE DATE

SATURDAY, NOVEMBER 3, 2018 | 7:00 AM – 4:30 PM

Hilton Norfolk The Main | 100 East Main Street | Norfolk, Virginia

PRESENTED BY:

Duke Cancer Network

For 19 years, New Developments in Oncology has offered a comprehensive view of advancements in treatments, techniques and technologies for treating and managing cancer and blood diseases, as well as related symptoms. This year's program brings together the best regional and national oncology and hematology professionals for clinical discussions on progressive research, scientific experience and therapeutic triumphs.
